

Duo - Shoulder immobilizer

ART.NO 20114

Duo shoulder immobilizer fixates the shoulder and provides support and relief in case of acute injuries or trauma. The shoulder strap is adjustable in length and the placement of the strap can be adjusted along the arm pocket. The shoulder strap fixates with velcro hook. Includes immobilization strap for fixation of the upper arm along the torso. The arm pocket and shoulder strap are lined with terrycloth for comfort. Suits both left and right arm. Available in size S-XL.

Indications: For relieve/immobilization/fixation of shoulder/arm. In case of trauma, emergency or postoperative care. **Contraindications:** For patients with sinus carotid sensitivity avoid pressure from the orthosis in the carotid sinus area.

Material: Nylon 40%, PU Foam 25%, Polyester 20%, Cotton 15%. Latex-free.

Washing instruction: Machine wash, 40°C. Close the Velcro fastening when washing. Ideally, use a washing net.

Measurement: Elbow to finger tips in cm.

Size	Length in cm	Art.no
