

Klara - Compression bra

ART.NO 31148

Klara is a supportive, seamless bra in double material with compression level equivalent to compression class 2. Intended for use after various types of breast surgery such as breast reduction, mastectomy, lumpectomy. Suitable for treating lymph- edema in the chest area. Soft, skin friendly material after radiotherapy. Wide back and high neckline. Fully openable in the front for easy application with hook-and-eye opening. Fully openable and adjustable shoulder straps in several steps.

- Compression level equivalent to compression class 2.
- Opening at the front center with hook-and-eye, adjustable in three steps.
- Wide and adjustable shoulder straps at the front with hook-and-eye, adjustable in several steps.
- Double material in the cup; pocket for padding/breast form.
- Soft, wide, seamless seam under the bust; feels comfortable against any incision/scar tissue.
- Extra high cut under the armpit, back, and center front.

Indications: Post-surgical bra with compression level equivalent to compression class 2. Intended for use after different types of breast surgery. Lymphedema in the chest area. **Contraindications:** Infection. Arterial circulatory disorders. High risk of thrombosis.

Material: 83% Polyamide, 11% Elastane, 6% Polyester. Latex-free.

Washing instructions: Machine wash at maximum 60°C (140°F), for longer durability, 40°C (104°F) is recommended. Fasten hook- and-eye closure before washing. Use of a laundry bag is recommended. Possible to tumble dry at low heat. Do not iron. If the garment has any blood stains, soak or wash in cold water. Do not use bleach, chlorine or fabric softener as this could cause the material to lose functionality.

Fully opening in the front and shoulder straps for easy application immediately after surgery/during the healing process.
