

Wrist-Thumb Embrace - Wrist brace w. thumb

ART.NO 40321

Stable combined thumb and wrist orthosis with stays. Closes with the help of three velcro straps that surround the wrist and provide extra stable support. Two removable radial thumb stays are included. The orthosis has a pre-bent, malleable and removable volar aluminum stay and two dorsoal plastic stays for extra stability. The thumb grip is adjustable using two bands that stabilize the metacarpophalangeal joint and the proximal phalanx.

- Indications:**
- Thumb ligament injuries (sprains).
 - Acute or chronic inflammation of the wrist or metacarpal joints (rhizarthosis).
 - Tendonitis and tenosynovitis.
 - Post-operative immobilisation.
 - Secondary care after fracture treatment at the thumb or base of the thumb.

- Contraindications:**
- Severe sprains.
 - Immediate treatment following fractures.

Material: Polyester, Spandex, Polyamide, Nylon, Aluminum. Latex free.

Washing instructions: Machine wash at 40°C (106°F). Use a laundry bag. Dry flat. Seal the velcros and remove the stays before washing. Do not use bleach, chlorine bleach or fabric softener as this could impair the function of the material. Do not dry clean. Do not iron. Do not tumble dry.

Measurements: Circumference around wrist in cm.
