

# MammaMia - Pregnancy belt

ART.NO 50102

MammaMia is a pregnancy belt that provides uniform, stable support across the pelvic joints. MammaMia also provides comfortable lift under the abdomen and is simple to adjust as the stomach expands. The increased width combined with the soft material makes it particularly pleasant to use. Colour: black.

- Combination of soft positioning belt and stable support strap
- Easy to adjust without affecting the placement
- Skin-friendly material: light and breathable

**Indications:** Pregnancy-related pelvic girdle pain (PGP) or symphysis pubis dysfunction (SPD). Also suitable for non-pregnant people seeking stable support for the pelvic joints.

**Contraindications:** None known.

**Material:** Ventilated, breathable textile material that is gentle on the skin.  
Polyester 51%, Polyamide 17%, Natural Rubber Latex 12%, Polyurethane 8%, Cotton 7%, Elastane 5%.

**Washing instructions:** Machine wash, 40°C. Close the Velcro fastenings. Use a washing net. Do not bleach, do not dry clean. Do not iron or tumble dry.

**Measurement:** Hip circumference in cm.

Size	Measurement Hip cm	Art.no	Height center front	Height center back
