

LyftPlus Comfort - Binder

ART.NO 50157

LyftPlus Comfort is a firm abdominal binder with a shaped front in mesh material, to fit and shape around a pendulous abdomen. Non-elastic front provides effective support and lift. 20 cm high elastic material in the back, with two stays in the middle of the back. Adjustable fit with velcro and handle on the right side. Recommended immediately after surgery or as a permanent binder for hernia and/or stoma. Available in black

Indications: Mobilization after surgery. Stabilizing binder for hernia/stoma/ostomy hernia. Prevents herniation. Fixation of stoma bandage.

Contraindications: Incarcerated hernia.

Material: Polyamide 64%, Polyester 30%, Elastane 6%. Latex free.

Washing instructions: Machine wash at 40°C (106°F). Seal the Velcros. Use washing bag. Do not bleach. Do not dry clean. Do not iron. Do not tumble dry.

Measurement: LyftPlus Comfort is 30-32 cm high at front and 20 cm high at back. For correct size measure the hip circumference in cm.

Size	Measurement Hip cm	Art.no	Height center front	Height center back
