

LyftPlus - Binder

ART.NO 50207

Abdominal binder which provides a comfortable and efficient support/compression of the abdomen. The front panel is shaped to "lift" the abdomen and give enough room to fit a pendulous figure. The back panel is made in elastic material, while the front part of it is non elastic. This to provide a firm support to the abdomen and/or the hernia. If needed, the product can be fitted upside down to support an epigastric hernia. Color beige.

Level of compression: Strong, 3 out of 3.

Indications: Mobilization after surgery. Stabilizing girdle for hernia/stoma/ostomy hernia. Prevents herniation. Fixation of stoma bandage.

Counter indication: Incarcerated hernia.

Material: Polyamide 52%, Polyester 41%, Natural Rubber Latex 7%.

Washing instructions: Machine wash at 40°C (106°F). Seal the Velcros. Use washing bag. Do not bleach. Do not dry clean. Do not iron. Do not tumble dry.

Measurement: To determine the correct size, measure circumference of the hip in centimeters.

Size	Measurement Hip cm	Art.no	Height center front	Height center back
S	80-95	50207-08-40	28 cm	23 cm
M	90-105	50207-08-50		
L	100-115	50207-08-60		
XL	110-125	50207-08-70		
2XL	120-135	50207-08-80		
3XL	130-145	50207-08-90		
4XL	140-155	50207-08-91		

For e.g. high abdominal incisions or epigastric hernia, the binder can be used upside down.

Latex tread is covered by other textile fibers, will not get in contact with the skin.
