

# Vira x2 - Binder

ART.NO 50228

Elastic binder which provides efficient support over the abdomen. Easy to apply and adjustable to the desired fit and compression level with two drawstrings. Firm material that keeps its shape without wrinkling. The material feels smooth and soft towards the skin, without any irritating seams or edges. No rails. Fits both a curvy and a straight body shape. Height 25 cm.

**Level of compression:** Strong, 3 out of 3.

**Indications:** Postoperative girdle after abdominal/trunk surgery. Stabilizes in case of hernia/stoma. Preventive against hernia. **Contraindications:** Incarcerated hernia. Infection.

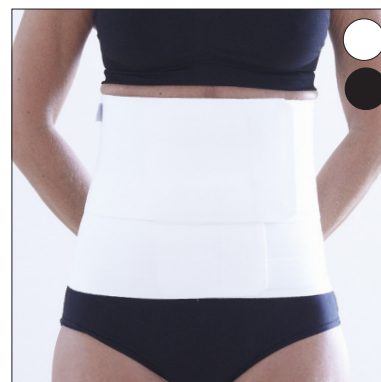

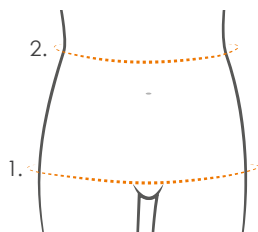

**Material:** Polyester, 88%, Elastane 12%. Latex free.

**Washing instructions:** Machine wash at 40°C (106°F) (can be washed at a higher temperature if necessary, the product will last longer if washed at a lower temperature). Seal the Velcros. Use washing bag. Do not bleach. Do not dry clean. Do not iron. Do not tumble dry.

**Measurement:** Choose the size by the hip circumference, if the hip size is within an overlapping range, check the circumference of your waist:

- Narrow waistline: choose the smaller size.
- Straight body shape: choose the larger size.
