

Frej - Hernia briefs

ART.NO 50253

Comfortable hernia briefs which provide firm compression, designed in soft cotton material. Used for conservative treatment of mild or medium sized inguinal hernia. Also postoperatively for faster mobilization, pain relief and to prevent relapse. Frej is designed with pockets on both sides for pads. Flat pads are included. If increased pressure over the hernia is needed, convex pads can be ordered separately.

Frej is designed with different compression zones to provide maximum support where it is most needed and to give optimum support to the hernia. To be worn instead of regular briefs.

Indications: For conservative treatment of light/medium inguinal hernia also postoperatively to support the area of surgery and provide pain relief.

Contraindication: Incarcerated hernia.

Color: Charcoal

Measurement: Hip circumference (B) in cm.
Height is measured in cm from pubis and up (A).

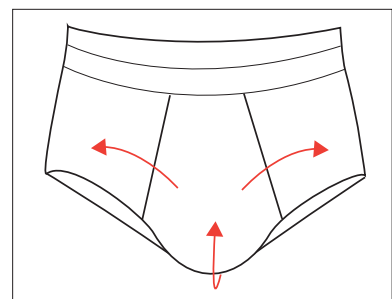

Ordered separately: Convex pads for increased pressure for hernia briefs:

- Pads, 1 pair Medium, 10 cm: Art.no 50257-00-50
- Pads, 1 pair Large, 13 cm: Art.no 50257-00-60
- PadPlus, Left: Art.no 50258-10-50
- PadPlus, Right: Art.no 50258-20-50

Materials: Cotton 88%, Elastan 12%. Pads in Polyethylene. Latex free.

Washing instructions: Machine wash at 40°C (104°F). Use washing bag. Do not bleach. Do not dry clean. Do not tumble dry.
