

Freja - Compression/hernia briefs

ART.NO 50254

Comfortable hernia briefs in womens fit with hook and eye opening. Designed in soft cotton material, provides firm compression. Used for conservative treatment of mild or medium sized inguinal hernia. Also postoperatively for faster mobilization, pain relief and to prevent relapse. Freja is designed with pockets on both sides for pads. Flat pads are included. If higher pressure over the hernia is needed, convex pads can be ordered separately.

Freja is designed with different compression zones to provide maximum support where it is most needed and to give optimum support to the hernia. To be worn instead of usual underpants.

Indications: For conservative treatment of light/medium inguinal hernia and postoperatively to support the area of surgery and provide pain relief. Also after abdominal surgery/liposuction without pads.

Contraindication: Incarcerated hernia.

Color: Nude.

Measurement: Waste circumference (B) in cm.
Height is measured from pubis and up (A).

Ordered separately: Convex pads for increased pressure for hernia briefs:

- Pads, 1 pair Medium, 10 cm: Art.no 50257-00-50
- Pads, 1 pair Large, 13 cm: Art.no 50257-00-60
- PadPlus, Left Art.no 50258-10-50
- PadPlus, Right Art.no 50258-20-50

Materials: Cotton 86%, Elastane 14%. Pads in Polyethylene.

Washing instructions: Machine wash at 40°C (104°F). Use washing bag. Iron in low temperature. Do not bleach. Do not dry clean. Do not tumble dry.

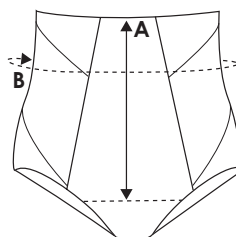

50257-00-50 Pads, Medium
50257-00-60 Pads, Large

50258: PadPlus
