

Alex - Facial bandage

ART.NO 51108

Facial bandage in comfortable material with velcro closure. Easy adjustable as the velcro attaches to the entire surface of the bandage. Two smaller bands in different lengths for extra fixation are included. The band can be fixed in different ways. One size fits all. 7,5 cm wide.

Indications: To be used as a postoperative fixation band after facial surgery and also for compression.

Contraindications: Infection.

Material: Polyamide 77%, Elastane 13%, Cotton 10%.
Latex free.

Washing instructions: Machine wash at 60°C (140°F). The product will last longer if washed at a lower temperature. Seal the Velcros. Use washing bag. Do not bleach. Do not dry clean. Do not iron. Do not tumble dry.
